## **XGT VALUE TENACITY**

### **Teamwork**

We are driven by results and value teamwork. We are devoted to and truly care about our staff, clients, consultants and strategic partners.

### **Education**

We encourage continuous learning. There is a commitment to stretching and challenging each other.

### **Novelty**

Assigned responsibilities and the identification of new courses of action are carried out by “thinking outside the box”. This is usually underpinned by the viewpoint that no idea is stupid and the belief that ‘it is possible’.

### **Assurance**

Customers are assured of our commitment to customer satisfaction and quality service even in the face of significant odds. We stay true to the Company’s goals and objectives.

### **Community**

We strive to be good corporate citizens and give back to our communities at every opportunity.

### **Integrity**

We do what is right and follow through on our commitments. We are accountable.

### **Truthfulness**

We follow truthful, honest and ethical business practices

### **Youthfulness**

We have a deep recognition that youthful enthusiasm has ‘a significant impact on success. In line with this, all staff are encouraged to display the level of zeal the business requires to be successful.

**DR MUFUTAU ADENIYI RAJI**  
Chief Finance & Administration Office

### **Career Experience:**

Dr Niyi Raji attended the University of Ibadan, Ibadan in 1983 where he finished as the best graduating student in both his Bachelors and Master's Degree Programs. He completed his Doctorate with same University in August, 2000. Dr Raji enjoyed four scholarships and awards for his University education.

He qualified as an Associate of both the Institute of Chartered Accountants of Nigeria and Chartered Institute of Bankers of Nigeria in 1992 and 2001 respectively and became a Fellow of the two institutes in 2012 and 2014 respectively. He is also a fellow of the Enterprise Risk Management Professionals. Dr Raji is also a graduate member of the Chartered Institute of Stockbrokers, Nigeria.

He started his Banking career in 1990 with the then Afribank Nig. Plc. as Executive Trainee and rose to Manager Position in 1999. His experience in Afribank cut across managing the Bank's credit portfolio including the Agricultural Credit Guarantee Scheme Fund (ACGSF) program of the Central Bank of Nigeria, managed the project finance department within the Development Finance Division of the Bank with responsibility to manage projects under the NERFUND and SME II window of the World Bank. Dr Raji was also a member of the Afribank/UNDP/LAPO team that established Benue State Microcredit Scheme Blueprint in March 1998. He moved to the then Equity Bank of Nigeria Limited in year 2000 as Head, Corporate Accounts Group where he initiated and packaged approval for the establishment of Equity Bank Finance and Securities Limited. He was the pioneer Manager for the Bank's Ilorin Branch in August 2002 from where he became the Group Head, Corporate Accounts of the Bank in South West. He won the Bank's merit award for the year 2001 for his outstanding performance.

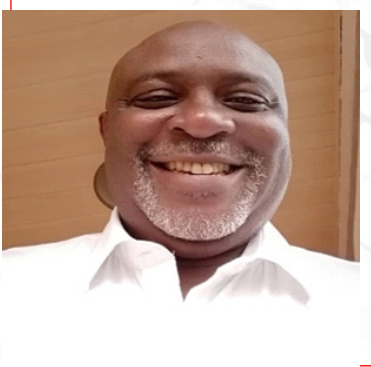

In 2005, he joined the legacy Intercontinental Bank Plc through her merger with Equity and two other Banks as Senior Manager and as Regional Business Executive, South West managing and growing the region's Corporate Accounts and the branches in Oyo State, and simultaneously working as the pioneer Manager of the Bank's Iwo Road, Ibadan branch which broke even within four months of operation. He was transferred to the head office in 2008 to manage the Bank's Micro finance Business and was promoted Assistant General Manager (AGM) in 2009. He later represented the Bank on the Board of Blue Intercontinental Microfinance Bank Limited (BIMFB) which was jointly owned by the Bank and Blue Financial Services Limited of South Africa. With the takeover of Intercontinental Bank by Access Bank in 2012, Dr Raji was mandated and successfully supervised Access Bank shares divestment from BIMFB and thereafter became the Group Head, Development Finance in Access Bank.

He resigned his appointment at Access Bank in April 2013 and became the acting Managing Director of Blue Intercontinental Microfinance Bank in October 2013, a position he held till August 2016 when he resigned his appointment to resume as Chief Executive of RPA Africa Limited. RPA Africa is into consulting with interest in Financing, Oil & Gas, Agriculture Value Chain, Banking and Research.

Dr Raji joined XGT in advisory capacity in 2017 and Chief Finance & Administration Office in 2019 till date.

Dr Raji attended many leadership and management programs both locally and abroad including those at Michael Stevens & Associates, FITC, Lagos Business School, Nigeria and London Business School, UK.

**Mr. Ifedayo Akinuli**

Vice President – Policy and Strategy.

### **Career Experience:**

Akinuli Ifedayo (B.Sc Sociology) has over the year acquired a vast knowledge of banking business both merchant and retail. He commenced his banking career with lead merchant Bank Ltd later Lead Bank Plc where he worked in various departments of the bank i.e. Administration department, Domestic Operations, Treasury Operations, Financial Control and most importantly in International Operations where he specialized.

He joined Bond Bank Plc in September 2002, where he demonstrated his wide range of experience to develop the then newly born Bond bank as head of International Settlements sequel to the reformation and re-capitalization in the banking sector, He found himself in a mega bank named Skye Bank Plc. where he became a key player in revenue collection unit of Skye Bank for a brief period before he was moved to become a Branch Manager of Satellite branch of Skye Bank Plc.

He attended various courses both within and outside Nigeria.

He resigned his appointment in July 2006 from Skye Bank Plc. He joined Da-Nulex venture Ltd between 2007 and 2013 as procurement Manager, Trading in agro and commodity products. He worked briefly with Enegas Power Limited as Trade Finance Manager till July 2015 before joining Sparkling Energy Resources Limited as Executive Director, Finance and Administration.

Dayo joined XGT in September 2016 as Executive Director, Finance and Administration. He became the company Vice President – Policy and Strategy in 2019.
